ALLIED FORCES SOUTHERN EUROPE

Dear Bob,

How delightful it was to hear from you and how grateful I am for your good wishes. One of the nicest things about an event like this is receiving the support of good friends like you.

I will certainly need some of that marvelous bureaucratic skill which you displayed while out at NIH. I'm a bit of a novice, but will be up to my ears in it all soon if I pass the test of the Senate.

Again, many thanks and our very best wishes to you and Ann.

Yours,
